

Manpower's Webinar Series 2010

The Great Employment Law Quiz Show

Despite the fact that it's put on by an attorney, this webinar will be both educational and entertaining.

As Chief Legal Officer for a company that employs more than three million employees annually and as a former partner in a major employment law firm, Manpower's Mark Toth has learned a few things about workplace law over the years.

Back by popular demand, Mark will answer the world's most interesting and challenging employment law questions in an engaging and interactive quiz show format.

To get a taste of what the webinar will be like, please check out Mark's blog – or blawg – at www.manpowerblogs.com.
