

Customize Your Social Media Posts

DIRECTIONS

1. Download images from AmesChamber.com.
2. Copy image into blank document in Word.
3. Copy your logo into the document. With your logo selected, click on "Format" > "Wrap Text" > "In Front of Text".
4. Move your logo to the white space on the image and resize as needed.
5. Save as a PDF.
6. Open PDF file. Click on "File" > "Export to" > "Image" > "PNG."
7. Open PNG file and crop to edges of the image. Save final version.
8. Upload to your social media account and post!
