AMES CHAMBER OF COMMERCE
CORPORATE BUDDIES
PARTNERING TO STRENGTHEN THE BUSINESS COMMUNITY

Who: The Ames Chamber of Commerce

What: Promotion of the Corporate Buddies Program

Why: Increase the visibility and engagement for both Non-Profits and the Businesses offering to "pay it forward". The Ames Chamber business member offers to pay half the Non-profit level dues (current full rate is $422, so $211 for promotional offer) The Non Profit pays the other half of dues fulfillment.

When: Now! This offer will be for a two-year commitment, billed in two annual installments, that will allow non-profits, their staff, their board members, volunteers, etc. to attend Ames Chamber of Commerce meetings, events, programs, etc. and take advantage of various resources over 24 months.

This will build community relations and enhance non-profit awareness of how the Ames Chamber of Commerce can be a conduit for increased exposure and involvement. Because the Ames Chamber of Commerce only refers its members to others, this partnership could be a catalyst for Leadership Ames themed Non-profit Session day participation, and also be a possible source for Leadership Ames classmates to hear project opportunities in need, as a civic requirement of the program.

Are you interested in being a possible **Corporate** candidate for the Corporate Buddies Program?
