## CITY ELECTIONS

# Vote today to shape tomorrow

**T**uesday, Nov. 8, is the day. It's time for Story County citizens to get to the polls and elect who will represent them in city government. In Ames, city officials are on the ballot along with the Ames Public Library renewal project.

No matter where you reside in Ames, everyone has at least four positions to vote for: one city council at-large representative and three hospital trustees. Also up for election are council positions for Ward 2 and Ward 4, and the public measure regarding the Ames Public Library to vote for or against the proposed expansion.

The polls will be open in Ames from 7 a.m. to 8 p.m. For your convenience, same-day voter registration is available. All you need to bring with you is proof of residence and proof of identity.

Also, you can vote in person prior to the election at the

Story County Auditor's Office. Office hours are from 8 a.m. to 5 p.m., Monday through Friday. The Auditor's Office is located in the Story County Administration Building, 900 Sixth Street, Nevada. For cities with polls opening at 7 a.m. on Election Day, the last day to vote absentee in person is Monday, Nov. 7, by 5 p.m.

Story County even gives you the option of requesting an absentee ballot by mail. You'll need to submit a signed Absentee Ballot Request to have a ballot mailed to you. However, the last day to request a ballot be mailed is Friday, Nov. 4, by 5 p.m.

For a complete list of candidates, polling locations, sample copies of the ballot and other voter information, please visit

### Library question

In Ames, in addition to the candidates running on the ballot, there is one question that requires your attention as well:

Shall the following public measure be adopted?

"Shall the City of Ames, in Story County, Iowa, enter into a loan agreement and issue bonds in an amount not exceeding \$18,000,000 for the purpose of paying the cost, to that extent, of expanding, renovating and equipping the Ames Public Library?" (yes or no)

Story County's website at [www.storycounty.com](http://www.storycounty.com) and click on "Auditor & Elections" or call (515) 382-7210.

Remember your vote today will shape Story County's tomorrow. Vote your voice, and join us at the polls on Tuesday, Nov. 8.

It's just what you need when the cold settles in.

## CHAMBER COMMITTEES

# Chamber committees provide opportunities to get involved

Your input, participation and ideas are needed

**T**he Chamber's task of working to improve the long-term economic vitality of its members and the community is accomplished through the ideas and projects that begin in committees of the Chamber. Each Chamber committee focuses on a different aspect of the community that affects business. We welcome your input and invite you to consider sharing your ideas and time by joining one of the Chamber committees:

### Business improvement council

To provide support and resources for Ames Chamber businesses and organizations as they strive for continuous improvement is the mission of this committee. This committee's main charge is to develop, plan and facilitate professional development opportunities that are available to Chamber members. Monthly Business Improvement Forums, lunch and learn series and seminars are just part of the offerings this committee works on.

Meets on the second Thursday of every month at noon.

Chamber staff facilitator: Crystal Davis, crystal@ameschamber.com.

### Education connections

Education is a vital component of

every community and is directly related to economic development, quality of life and the stability and growth of area post-secondary educational institutions. This committee seeks to strengthen the relationships between area businesses and local school districts and to help address local diversity issues and workforce concerns. The annual Salute to Educators celebratory luncheon recognizing area educators is just one example of this committee's work.

Meets on the first Wednesday of every month at noon.

Chamber staff facilitator: Crystal Davis, crystal@ameschamber.com.

### Government affairs

The Chamber's Government Affairs Committee works diligently to identify and research legislative issues that affect the business community. They then update and educate Chamber members regarding these vital matters so that members will be aware of how legislation will impact their organizations. The committee keeps Chamber members' concerns in front of key government officials by keeping the lines of communication open with lawmakers and by

hosting monthly Legislative Luncheons. Also, candidate forums are planned for elections. These luncheons and forums give members the opportunity to meet candidates and public officials face-to-face. In addition, the Government Affairs Committee helps develop the Chamber's annual legislative survey and participates in Ames Day at the Capitol. We welcome any Chamber member with an interest in ensuring the business community has a strong voice in local, state and federal government to join this terrific group.

Meets on the first Friday of each month at noon.

Chamber staff facilitator: Angela Davidson, angela@ameschamber.com.

### Membership affairs

Overseeing all organized recruitment efforts of the Chamber, this committee works to encourage Chamber member involvement through active and visible participation in Chamber events and activities. Business at Breakfast, Speed Networking, Business After Hours, and New Member Plus 5 & 0 Reception are just some of the events this committee helps develop and facilitate. This committee also calls on new members as well as existing membership to assess membership satisfaction.

Meets on the second Wednesday of each month at noon.

Chamber staff facilitator: Sarah Buss, sarah@ameschamber.com.

All employees of a Chamber member business can get involved in Chamber committees. You can join a committee at any time and participate for as long as you wish. Please call the Chamber office at (515) 232-2310 for more information.

### Downtown Gives Back for the Holidays

Downtown Ames businesses want to give back to the community, and they need your help.

Downtown businesses will be participating in a community-oriented drive to provide necessary items to people in the Ames area. The four key aspects of the drive include: food, warmth, education and shelter.

Participating downtown businesses will collect donated canned foods, coats, mittens, hats, and children's books in drop boxes, shopping carts, and more to collect donations. They will also help to provide shelter by collecting money to support the Good Neighbor Emergency Fund.

A full list of participating businesses and locations may be found at [www.mainstreetculturaldistrict.com](http://www.mainstreetculturaldistrict.com).

### Downtown Sit Down

New pieces of art have been popping up along Main Street in the form of downtown benches.

Six of 18 benches have received a makeover, sponsored by local businesses and artists. The painted benches are located in Tom Evans Plaza and on the corner of Main Street and Kellogg Avenue.

The Downtown Sit Down concept is to bring color and design to existing city benches in downtown Ames, and to increase the longevity of the benches. The mission of the MSCD is to advance and promote downtown as the destination district in the heart of the Ames Commu-

nity. This is one more reason downtown is called a Cultural District; local artists and organizations working together to showcase arts and culture for all to enjoy.

Sponsorships for each bench are available for \$1,000 and while sponsorships so far have been primarily area businesses, private citizens are welcome to sponsor a bench to show support for Main Street and are welcome to honor a loved one at their bench. A huge thank you goes out to the sponsors of each bench pictured as well as Sign Pro for donating the paint. Thank you for your continued commitment to rejuvenate our downtown. For more information on sponsoring a bench, please contact Tom Drenthe at the MSCD office at (515) 233-3472.
